

Data sheet

Cube plant pot, arc

All measures are in mm.

The arc with Cube plant pots is an elegant solution for parks, squares and along the way. The arc is manufactured in galvanized steel and is as standard available in two sizes with accordingly 8 or 14 plant pots. The arc has an integrated watering system.

Cube plant pot is manufactured in the composite material fiberglass reinforced polyester. Standard colors are green, anthracite grey and pearl grey. The plant pot can be delivered in colors by request at an additional cost.

| Type | Width mm | Height mm | Number of plant pots |
|----------------------------|----------|-----------|----------------------|
| Cube Plant pot, arc, small | 3.000 | 1.500 | 8 |
| Cube Plant pot, arc, large | 5.000 | 2.500 | 14 |
