

Continuing training for van drivers

2 days course at Learnmark Horsens

↓
Now
in English

Learnmark Efteruddannelse offers a course that qualify you and your employees to comply with the rules in the area:

Continuing training for van drivers, 2 days, in english

This course must be acquired every 5 years in order to retain your van driver training certificate.

From 1 July 2019, vans weighing 2.500 kg up to and including 3.500 kg carrying goods with a total weight of more than 11 kg per unit are covered by the Road Haulage Act. This means requirements for both van operators and van drivers.

Place

Learnmark Efteruddannelse,
Strandpromenaden 4C, 8700 Horsens.

Date

See current date on learnmark.dk/kursus.

Participant fee

DKK 214.00 per course day per participant in the AMU target group VEU allowance.

You can apply for VEU reimbursement

DKK 973.00 per day per participant in the AMU target group + any funds.

Course

Continuing training for van drivers 2 days (48851)

Continuing training for van drivers
2 days (48851)

After this course, under the new rules, you can perform driver tasks in connection with commercial freight transport by van.

During the course, you will gain knowledge about

- Load securing in vans in a safe and ergonomically correct way.
- The principles of carrying out safe, defensive, and environmentally friendly transport with different types of goods.
- Traffic rules, including rules on driving and rest periods, working hours, stopping and parking as well as driving with a trailer.
- A safe and healthy working environment and prevention of physical risks.
- How to provide first aid according to the Danish First Aid Council's training plans for "first aid for professional drivers."

The course is compulsory and must be renewed every 5 years after you have completed the Basic Qualification for a Van Driver or if you have credit for the course and can document two years of full-time employment as a van driver – also called acquired qualifications.

Prerequisites for attending the course

Passed Basic qualification for van driver, or two years of proven work experience as a van driver between July 1, 2009 and June 30, 2019. + driver's license cat. B You must send your application for credit to the Danish Road Traffic Authority.
